To whom it may concern

This is to certify that Md. Towhidul Karim is working as a Research Assistant in my team at Bangabandhu Sheikh Mujibur Rahman Science and Technology University, Gopalganj – 8100 from September 2022

During his tenure as the research fellow, he is paid a stipend. Md. Towhidul Karim is hardworking and dedicated in his work. He planned and performed various experiments and used to be consistent in his results. He not only got trained but also trained several other students. He is very updated with the current scientific literature and is good in interpreting his results. He also maintains a good rapport with the lab mates and is very polite and friendly with all the members of the research group. His technical skills are exemplary. He has very good communication skills and is good in English language.

I wish him the very best in all his future endeavors.
