SIST App Many errors/problems - Meeting Request

Zakir Hossain <zakirhossain@yahoo.com> to Alamin. me. Akter. Muhammad. Data. Zakir

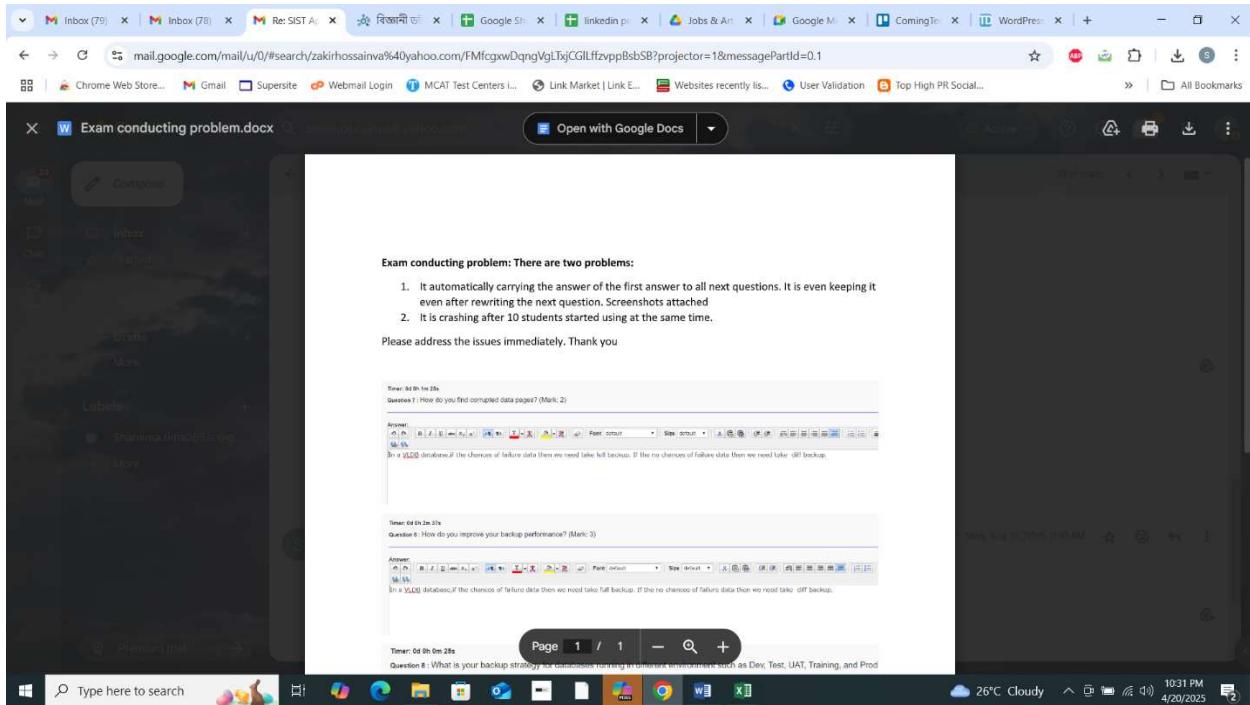

Akter bhai/Shamima,
I am finding so many mistakes in the app. Some are major and some are minor, but they are all urgent. There are some errors beyond capability of explanation. It will confuse your team even more.

It will be helpful for your team members, if I can explain or demo the problems/errors in the app to the team. I think there is a gap. I am sure it will help them.

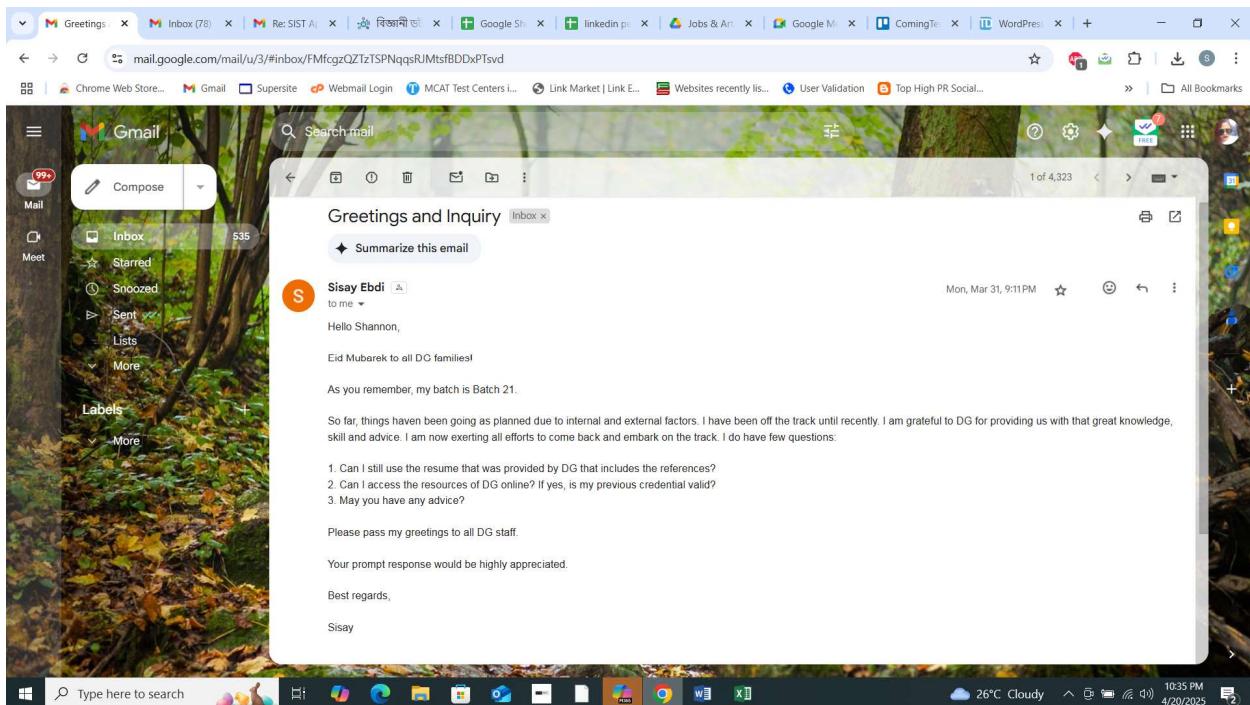

Please arrange a meeting immediately with your team and our team including me. It is urgent

Regards,
Zakir Hossain
